

VENTILATION

- Ventilation Equipment
- Industrial Panel Axial Centrifugal Fans
- FRP Industrial Fans
- Roof Ventilators

- Adjustable Pitch and Adjustable Pitch-In-Motion Axial Fans
- Mixed Flow Fans
- Tunnel Ventilation
- Smoke Exhaust Fans
- Turbo Pressure Blowers

- FRP and PVC Centrifugal and Axial Fans

- Industrial Panel, Axial, and Centrifugal Fans
- Roof Exhausters

- Laboratory Exhaust Systems
- Bifurcated Fans

- Industrial Dampers

SCRUBBERS, ODOR CONTROL & DUST COLLECTION SYSTEMS

- Scrubbers
- Odor Control
- Gas Filtration Unit
- Packaged Filter Unit System

- Baghouse Duct Collectors
- Fans
- Rotary Air Locks
- Screw Conveyors and Turnkey
- Packaged Unit Controls

HYDRONICS

- Pumps
- Booster Pumps
- Suction Diffusers
- Multipurpose Valves

- Domestic Hot Water Heat Pumps (Air Source/Water Source)
- Modular Domestic Hot Water Heat Pumps

- Plate Heat Exchangers
- Brazed Plate Heat Exchangers

- Heat Exchangers
- Expansion Tanks
- Air Separators

HEATING AND AIR CONDITIONING

- Rooftop Packaged AC units
- Chillers (Centrifugal, Magnetic Bearing, Screw, Scroll Compressors - Air and Water Cooled)
- Water Source Heat Pumps
- Semi-Custom Air Handling Units

- Variable Refrigerant Volume "VRV" Systems
- Water Cooled & Air Cooled
- Split Air Conditioning
- Make-Up Air Units

- Custom Built Air Handling Equipment
- Penthouse Packaged Units
- Commercial, Institutional & Industrial Standards
- Packaged DX Cooling
- Integrated Unit Controls

- Air Source & Water Source Chillers, Heat Pumps (Cooling & Heating) and Heat Recovery Units

- Heat Pump - Water to Water
- Ground Source Heat Pumps
- Water Source Heat Pumps (Modular & Non-Modular Type)

- Adiabatic Fluid Coolers
- Dry Fluid Coolers

- Energy Recovery Ventilators

- Heat Recovery Ventilators

- Custom Air Handling Unit
- Natatorium (Pool) Units

- 100% Outside Air Applications
- 5-70 Tons
- Heat Recovery
- Cooling and Heating Options

- Humidification
 - Electrode Steam
 - Injection Steam
 - Gas Fired
 - Atomizing & Nozzle

- Packaged Semi-Custom Air Conditioning Units (Air/Water Cooled)

- Industrial Finned Tube Heat Exchanger Coils
- Steam Coils

- Industrial Heavy-Duty Unit Heaters
- Hydronic and Steam Coils

- Electric Duct Heaters (Open Coil/Finned Tubular)
